

Vision: Our MFL department is committed to fostering a love for languages and cultures, empowering students to become confident, respectful, and globally-minded individuals. Through the study of French or Spanish, we aim to develop literacy and oracy skills, cultural awareness, and a lifelong passion for learning.

Values:

1. Respect:

- Cultural Understanding: We encourage students to appreciate and respect the diverse cultures and traditions associated with French and Spanish-speaking countries. This understanding fosters empathy and broadens their global perspective.
- Classroom Environment: We create a supportive and inclusive classroom environment where students feel valued and respected.

2. Achieve:

- Academic Excellence: Our curriculum is designed to challenge and inspire students to achieve their full potential in language learning. KS3 is designed to fully support success in KS4.
- Skill Development: We focus on developing key language skills—listening, speaking, reading, and writing—through engaging and interactive lessons.

3. Aspire:

- Future Opportunities: We inspire students to see the value of language learning in their future careers and personal lives. Knowledge of French and Spanish opens doors to a wide range of opportunities in higher education and the global job market.
- Personal Growth: We encourage students to aspire to be lifelong learners, curious about the world around them. Through language learning, they develop resilience, adaptability, and a growth mindset.
