

# Year 7 Art Knowledge Organiser – Term 4 +5

## Key Vocabulary

### I will be able to....

- Understand the difference between working on paper and fabric
- Use painting techniques to blend colours
- Create my own piece of art about Insects taking **inspiration** from **Rosalind Monks**
- Use a running/back stitch to **add texture** to my **design** fabric.
- **Evaluate** my own and other students work

## Elements of Art

**Texture** – Is one of the seven elements of art. It is used to describe the feel of three-dimensional shapes.

**Line** – A path made by a moving point through space. It is one-dimensional and can vary in width, direction and length.

**Textiles** – Working with and into fabric using a range of techniques.

**Pattern** – Patterns are shapes, lines or colours are repeated. How complicated a pattern is depending on what is repeated and the way in which it is repeated.

## Techniques and Processes

**Painting on fabric** – Understanding how paint works differently on fabric to paper

**Blending** - means creating an area between two colours where they gradually mix, so you get a gentle transition from one colour to the other.

**Embroidery** – Hand stitching or sewing designs into fabric using strands of thread to create texture using stitches such as back stitch and running stitch.

### How can I use stitch to enhance my design?

French knots  
Running stitch  
Back stitch

### Textile insects

Textiles

### Blending colours

Zentangle
