

Year 9 Personal Development

Unit 2 – Setting Goals

What will I learn about this term?

You will learn about setting goals for your future and be given information on the different industries that offer employment opportunities in the UK. You will learn about the routes available to you to achieve your aspirations. At TPA we prepare you to meet the world and your “Living in the Wider World” units will give you the skills and information you will need when you leave school.

Key Words	Meaning
Learning Pathways	The options available to students after they leave secondary school.
Taxation	Payments made by citizens to fund central services such as health and education
Targets	An objective or result towards which efforts are directed
Labour Market	The supply and demand of different job roles
Sector	A distinct part of a nation’s economy or society
Industry	A group of organisations that produce goods or services of the same type. Examples include the Performing Arts Industry and the Construction Industry.
Public Sector	Industries that are funded by the government through tax revenue. Examples include state education and the NHS.
Private Sector	Industries that are funded by individuals that purchase the goods or services produced. Examples include the fashion industry and car industry.
