

Year 10 Personal Development

Addressing Extremism and Radicalisation

What will I learn about this term?

This term you will learn about the different types of **extremism** and terrorism present in the UK and globally. You will learn about **Radicalisation**, the process by which **extremism** grows. You will also be given information about **internet subcultures**, and how extremist groups target vulnerable people for recruitment in online forums.

One of the **Fundamental British values** is **respect and tolerance** for the differences between us and being aware of **extremism** and **radicalisation** is the only way that we can combat it.
