

1st February 2024

Dear Parent/Carer

Due to continuing high level of staff absences at The Portsmouth Academy, the school will be closed on Friday 2nd February 2024 to Year 10 for a second day.

The school will remain open to Years 7, 8, 9 and 11 unless further communicated.

We are committed to ensuring that your child receives an education of the highest quality and consistency. Students' classwork will be assigned and made accessible via Teams for these Year 10 students.

We apologise for any inconvenience this may cause, but we are sure you understand these are exceptional circumstances and not a decision the school has made easily. The measures put in place will ensure that the school maintains a safe staffing level for students who will be present.

If you are concerned around the welfare of your child/children being at home please contact our vulnerable children provision at info@theportsmouthacademy.org.uk

Thank you once again for your patience. Unless otherwise communicated the school will be open fully from Monday and we look forward to seeing all students in school.

If you have any further queries, please contact the school office directly on 0333 360 2200 or email info@theportsmouthacademy.org.uk

Yours faithfully,

Chris Andrews
Vice Principal
