# Hard Work Pays Off!

Alex started Muay Thai boxing around 2 years ago. Since he started he has competed in exhibition fights against other clubs in the local area and has successfully passed his gradings up to orange belt. He trains 3 times per week in the evenings which includes cardio vascular training, working in a group to improve his technique and sparring with others. Since he started Thai boxing, Alex has developed a greater self discipline, improved his personal fitness and has a greater level of self confidence.

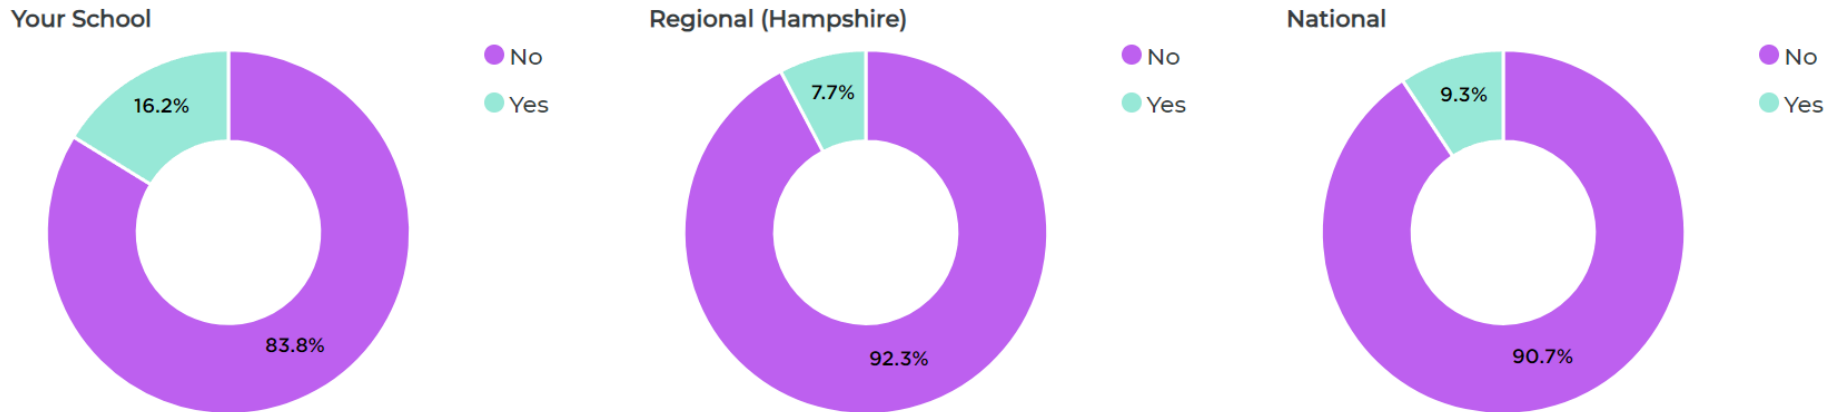

Alex is a great addition to 8WIL and we are all really proud of him! Ms Williams.

We did.....

1. Red lines to show queuing space, clear gaps between 1<sup>st</sup> and 2<sup>nd</sup> in the queue.
2. Most food's are now pre-boxed to avoid having to dish up individual meals at the serving hatch
3. More staff have been deployed into the canteen, there is always at least one staff member per queue as well as each door.
4. Pasta has been moved to the cube meaning an additional serving hatch in the canteen.
