Payments for the trip will be monitored regularly, if there are any issues with paying these amounts, please contact myself at jtt01@tsatrust.org.uk. The next step once the group has been confirmed is to start preparing for the trip. I will be holding a meeting for the trip in September 2025 which will take place at TPA.

As a school we reserve the right to determine the composition of the group. Behaviour, attendance and progress will be monitored. If pupils cannot follow school policies and procedures, then they jeopardise their place on this trip.

It is also a requirement for your child to have a passport which has 6 months extra after the departure date for the trip and a current GHIC. It is compulsory that you ensure your child has adequate travel insurance for the duration of the trip. We also recommend that they are double vaccinated against Covid-19.

If your child has a passport that requires a visa to enter European countries, we can assist you as we would like to give every child the opportunity to attend this trip and can signpost you to the most appropriate resources.

Kind regards,

Mr Tutt
