Dear parents and carers

I am writing to inform you of an important change within our Year 10 team that will take place after the Easter break.

Our current Head of Year 10, Mr Smith, will be leaving us at Easter. He has been a great leader of our Year 10 team, providing guidance and support to both students and staff. I am sure you will join me in thanking him for his dedication and commitment to the well-being and academic progress of our Year 10 students.

I am pleased to announce that Miss Paice has been appointed as the new Head of Year 10. Miss Paice brings experience, commitment and passion to this role. She knows the Year 10 students well and is committed to continuing Mr Smith's work with the year group.

Miss Paice says:

*Since the start of my time at TPA, I have always made it my priority to support students both pastorally and academically. I have previous experience as a pastoral leader, and started at TPA as a Curriculum Leader. I hope that this gives you reassurance that I have the necessary skillset to support your child and will make it my priority to ensure that I am up to speed with any issues or concerns that are currently ongoing. I am excited to help continuing to build a positive environment and culture where every student can thrive. It is my pleasure to be embarking on this journey with you all, and supporting your child through their remaining time at TPA!*

We understand that students and parents will want to know about how this change in leadership might affect them. Please rest assured that all the team here at TPA are committed to making this transition as smooth as possible. Miss Paice and the leadership team are always available to address any questions you may have during the start of next term. We look forward to an exciting new chapter for our Year 10 students.

Yours sincerely,
