

4<sup>th</sup> February 2026

Dear Parents/Carers,

You are warmly invited to attend the Year 10 Progress Evening on **Wednesday 25 February 2026 from 3.40pm – 6.30pm**. Bookings open at 9am 4 February and close 9am on 25 February. The Progress Evening gives you as guardians the opportunity to collect your child's mock results and their most recent predictions as well as meet with their class teachers so that you understand how to support them this academic year.

Students are to attend in full school uniform. Please notify the school if you are unable to attend, as we would very much like to make alternative arrangements to have this conversation with you too.

To streamline the booking process, we are using the Arbor Parent app. This app allows you to easily schedule appointments, view your child's progress, and stay updated with school communications.

To book Meetings: Navigate to the 'Bookings' section within the app. Here, you will be able to select the available time slots for your meetings with teachers. [Booking Guardian Consultations \(Parent's Evenings\) on the Parent Portal or Parent App – Arbor Help Centre](#)

If you require any assistance, please contact Mrs Guest at the school on [anna.quest@tpa.tsat.uk](mailto:anna.quest@tpa.tsat.uk), or send your child to the Data and Exams office where bookings will be made on your behalf.

By attending parents' evenings, you are making a real difference to your child's learning. The school will value your views, and you can pick up practical suggestions about how you can help to support your child at home with their progress.

Yours sincerely,

Chris Andrews  
Vice Principal
